## EMPLOYMENT

---

**Rose Theatre Kingston**  
June 2015 - Current  
Junior Designer & Web Editor

Responsible for creating digital design work for company website, e-news campaigns, newsletters, adverts, social media and image resize for third party sellers.

Required to design print including flyers, posters, hanging boards and adverts for physical publications. Oversee creation of video content for social media channels (such as trailers, interviews, features).

**Women & Theatre / The Other Way Works**  
September 2014 - June 2015  
Junior Designer & Marketing Officer

Responsible for creating print and digital design for both companies including video and image content for social media.  
Responsible for managing a visual re-brand for both of the companies including overseeing a website redesign for one of the organisations.  
Oversaw the marketing campaign for a successful Kickstarter campaign. This involved designing digital content for the campaign and subsequent touring production.

**Production and Marketing Assistant**  
February 2013 - September 2014  
Create London

Working as production assistant across a number of Social engagement projects. Assisting with delivery of Marketing campaigns. Responsible for design and delivery of print material (posters, flyers).
